Clerk to re-read letter from Jesse Norman MP reference process

Clerk instructed to write a letter from Parish Council to Jesse Norman MP

Letter also from Ward Councillor

**The Parish Council resumed the correct order of business at Item 7.0**

## 7.0 Roads & Footpaths

**7.1 To Receive Lengthsman Report** also any new issues on Highway or Public Footpaths

Lengthsman Mr. Terry Griffiths gave a verbal update including

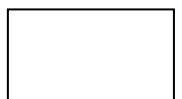

Description of work carried out:-

Specific Task work

U71223 Newton Lodge pitch, Cleared ditch area where buttress blocks had collapsed into ditch  
NB The blocks themselves had been removed by another party prior to our visit

Routine Maintenance Work

Clear grids and clean out road gullies, Jet connecting pipes, Clear road culvert headwalls, Jet culverts clear, Check inspection pits, Clear ditch headwalls, Clear grips and reform leads, Clear minor obstructions from ditches and reform leads, Clean off road signs.

Clear minor storm debris off roads

Trim and cut back overgrowth round grit bins and road signs

Trim verges on bends, junctions, splays, and areas regularly used by pedestrians where there is no footway provided

Village upkeep work as required

Roads covered on this visit:-

C1247 From A466 to Tregate Bridge

U71218 From C1247 to Llanrothal

U71219 From C1247 to parish boundary

U71220 From C1247 to parish boundary U71221

Notes

Ditches There several areas of minor ditch clearing which we can schedule in for December in order to ensure we are ready for the winter period

Grit/salt bins We noted on this visit that a number of grit bins /tubs and road signs had been damaged since our last visit. As the county contractors have not been in the area lately we can only assume that the damage had been caused by hedge cutting machines. The Council may be minded to put a note in the parish newsletter asking local landowners to be a little more careful to avoid this sort of damage especially as in future, due to forecast budget cuts by the HCC, the replacement cost will have to be borne by the parish council.

Potholes U71218\_The Parsonage area

Approximately 100m past the property in the direction of Llanrothal there are two deep potholes and an area of the nearside of the road is eroded

We think that the category that these pothole would carry are out of our remit

Action- Refer to L/S.

Sandbags and grit had been delivered

The Parish Council thanked Terry for all his hard work in keeping the parishes in good order

## **7.2 Locality Steward Mr. Dave Atkinson**

Locality Steward Dave Atkinson gave an overview of issues to date

See Information Sheet Item 13.0 for full November and December Report

Any ditch adjacent to the highway

New prices for Speed Indicating Devices (SIDs)

Attempting to address potholes

Osbaston Road in a very poor state - Locality Steward to provide feedback as to why road has not been repaired

Ward Councillor to investigate why an open ditch was put in by Herefordshire Council

Clerk instructed to write a letter reference C1248 opposite Upper Newton Farm

BT - Lengthsman to email grid reference

Councillor Mr. C. D. Bligh Chairman read a letter from a resident – Locality Steward investigating

## **8.0 Public Question Time**

Designated maximum period of 10 minutes to accommodate members of the public who may wish to either raise relevant issues or ask the Parish Council questions.

No matters raised

## **9.0 To Receive Reports from:-**

### **Ward Councillor**

Ward Councillor Ms. E. Swinglehurst reported on the following:-

Working for Llangarron Ward Report November 2015

“During this month I have attended a meeting of the Wye Valley AONB Joint Advisory Committee where we discussed fracking amongst other things. Working with Cllr. Paul Newman (Kerne Bridge) I am looking into the possibility of including oil and shale gas extraction ‘fracking’ as a policy within the Waste and Minerals Plan which is due in about 18 months.

I have also been busy at the Planning Committee and at the General Overview and Scrutiny committee where we had a joint meeting with Health Overview and Scrutiny to discuss the budget proposals. The budget setting is an on going process and this stage was taking into account the consultation responses (around 2000 people responded – a ten fold increase on the last time we did a budget consultation). Of the various measures proposed to either raise funds or save funds the most popular was the sale of the small holding estate and the least popular was to reduce funding to libraries.

I am currently drafting a question to the cabinet member to ask why TRO (traffic regulation orders) applications are so arduous. Llangrove has two TRO applications in the (very long) pipeline – one is for a reduced speed limit through the village and the other is to restrict waiting by the school. I have confirmed that they are on the prioritised list.

#### Other News

Broadband. Cllr Graham Powell is still working on getting 97% coverage. This is a massive task and the current phase of roll out is due to finish in December 2016. After that there will be an additional phase to complete coverage to rural areas due in 2017.

#### Hereford 20/20

A number of projects are getting underway to improve Hereford. The [Hereford 2020 website](#), [Facebook](#) and [Twitter](#) pages will present an holistic view of all of the planned infrastructure projects in Hereford City: city link road, transport hub and refurbishment of Commercial Road, Newmarket Street and Blueschool Street, High Town refurbishment, and South Wye transport package (including Southern link road), and how they connect to grow the economic, social and educational aspirations of the city. The Hereford 2020 website will be regularly updated with progress from each phase of the projects over the next five years.

Hereford 2020 will also incorporate the third-party facilities, such as the new university, that will be enabled through investment to communicate the ‘big picture’ by combining all of the proposed infrastructure activity under one banner.

Please encourage people to visit the site and explore the planned improvements. There will be a number of consultations and engagement opportunities as we progress through the program and it’s essential that as many residents and businesses as possible involve themselves.

#### STOP PRESS

As part of his recent statement the Chancellor has confirmed support for the new Hereford University. This is excellent news and congratulations are due to Karen Usher, David Sheppard and Jesse Norman MP. Exciting times! Contact me on [elissa.swinglehurst@herefordshire.gov.uk](mailto:elissa.swinglehurst@herefordshire.gov.uk) 01989 770038”

### **10.0 Neighbourhood Development Plan**

The Parish Council’s six week Pre-Submission Regulation 14 Consultation period from Monday 26<sup>th</sup> October 2015 running until 5.00pm Monday 7<sup>th</sup> December 2015 had now closed.

Several comments had been received, which will now be collated and sent to Steering Group members and Kirkwells Consultants.

The next stage is “Notice of Publicity (Regulation 16) Consultation”

The final version of the Neighbourhood Development Plan prepared on behalf of the Parish Council by Steering Group members will be submitted to Herefordshire Council

Letters will again be issued to all those consulted in the previous stages of the process.

### **11.0 Road Safety and Speed Indicators**

More information required
